Brazil Poultry

Premium Halal Frozen Meat & Global Export Solutions

Company Overview

Brazil Poultry is a leading exporter and global supplier of premium halal frozen meat products, including chicken, beef, and pork, along with sugar and edible oils sourced from Brazil’s top producers. We are committed to delivering consistent quality, food safety, and customer satisfaction to international markets worldwide.

Our Products

Halal Frozen Chicken

Whole chicken, breasts, thighs, wings, drumsticks, and IQF portions. All products are halal certified and processed under strict hygiene and international food safety standards.

Frozen Beef

A wide range of beef cuts including steaks, ground beef, roasts, and specialty cuts, ensuring premium taste, texture, and nutrition.

Frozen Pork

High-quality pork cuts such as chops, ribs, and tenderloins, processed under strict quality and safety controls.

Sugar & Edible Oils

Export-quality Brazilian sugar and edible oils meeting international standards for food manufacturing and retail distribution.

Quality & Standards

Brazil Poultry follows rigorous inspection, laboratory testing, and quality monitoring systems from production to final packaging. All products comply with international food safety, halal, and export regulations.

Why Choose Brazil Poultry?

- Halal certified and internationally compliant products
- Consistent quality and strict food safety standards
- Reliable global logistics and cold-chain management
- Customer-focused service and flexible export solutions
- Ethical sourcing and sustainable practices

Global Logistics & Export

With an efficient logistics network and refrigerated container solutions, Brazil Poultry ensures safe, timely, and compliant delivery to markets worldwide, supported by complete export documentation.
